

PLAN URBANISTIC GENERAL									
"Elaborare în format GIS a Planului Urbanistic General (PUG) al comunei Sântana de Mureș, județul Mureș"									
2.6.1 Proprietatea asupra terenurilor și obiective de utilitate publică									
LEGENDA									
LIMITE									
— Limita UAT Sântana de Mureș cf. eTerra									
- - - Limita intravilan propus									
- - - Limita intravilan U.A.T. învecinate									
- - - Limita documentații de urbanism									
ELEMENTE TOPOGRAFICE									
--- Curbe de nivel principale									
--- Curbe de nivel secundare									
■ Construcții									
PROPRIETATEA ASUPRA TERENURILOR									
Terenuri în domeniul public									
■ Terenuri aflate în domeniul public de interes național									
■ Terenuri aflate în domeniul public de interes local									
Terenuri în proprietate privată									
■ Terenuri proprietate privată de interes local									
■ Terenuri proprietate privată a persoanelor fizice sau juridice									
■ Parcele neînchiriate									
■ Parcele închiriate conform eTerra 3									
■ Poziția în Lista obiectivelor de utilitate publică									
CIRCULAȚII ȘI ACCESIBILITATE									
■ Traseu orientativ centura ocolitoare Târgu Mureș - propus									
■ Trecerea din proprietate privată în domeniul public pentru realizare obiectiv - Centura Ocolitoare Târgu Mureș									
■ Trecerea din proprietate privată în domeniul public pentru realizare obiectiv - alte străzi și drumuri									
OBIECTIVE DE UTILITATE PUBLICĂ
